MEMORANDUM FOR: Chief, Logistics Services Division/OL
SUBJECT : Floor Plans - South and Central Buildings

1. In order to properly evaluate the Office of Computer Services, DD/S&T current space holdings outside of the Headquarters Building, it is requested that this Office be provided with up-to-date floor plans of the first floor of South Building, and second floor of Central Building.

2. As of this writing, the only available floor plans from the SA&F/BR/LSD for subject buildings are approximately 7 and 8 years old respectively, and do not accurately show the partitions, door and square footage as they exist today.
